DCP-130C Colour Inkjet Multi-Function Center®

Multifunctionality is a personal experience.

Superior print quality and speed

Experience high quality, colour inkjet output, at speeds of up to 25 ppm black and 20 ppm colour. Create rich, vibrant borderless photo prints.

High quality flatbed colour scanning

Enjoy vivid image capture provided by an up to 19200 dpi (interpolated) high resolution colour scanner with 36-bit internal colour depth. Scan file formats such as JPEG, TIFF and PDF.

Digital copying in a stylish, compact design

Compact and elegant, the low profile DCP-130C provides versatile copying with reduction and enlargement from 25% to 400% as well as multi-copying (up to 99 copies).

Photo printing flexibility with Brother PhotoCapture Center®

Print high quality images from your digital camera media cards* with or without your computer. Also includes a PictBridge interface to print photos directly from your PictBridge enabled camera.

User-friendly software suite

Enhance your productivity with ScanSoft® PaperPort® and PaperPort® OmniPage® OCR, allowing you to modify scanned images as well as turn them into editable text.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a one-year exchange express limited warranty backed by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support.

For added support, the "Brother Solutions Center" (<http://solutions.brother.com>) is an online repository of information, driver downloads, user manuals and FAQs to help you get the most out of your machine.
