HL-2140 Laser printer

Fast print speed. Space saving design.

High-quality laser printing

Designed with home and home office users in mind, the HL-2140 offers excellent value and reliable performance. It features a sleek space saving design with fast printing at up to 23 pages per minute and high-quality output up to 2400 x 600 dpi.

Flexible paper handling

The HL-2140 handles a variety of media types. It features an enclosed, up to 250 sheet paper tray. A manual feed slot allows you to print envelopes, letterhead and card stock.

Affordable to own and operate

The HL-2140 offers an economical cost-per-page and features a high-yield replacement toner cartridge**. The Toner-Save mode can also help extend the life of your toner cartridge.

Easy to use and maintain

The HL-2140 is simple to set up and operate. Our innovative driver installation quickly guides users through the process. Easy-to-follow animated tutorials provide step-by-step help to answer common maintenance and support questions.

Advanced features

The HL-2140 offers many advanced features², including watermark printing, poster printing, N-Up Printing as well as manual two sided (duplex) printing.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a 1 year limited exchange express warranty supported by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support. For added support, the "Brother Solutions Center" (<http://solutions.brother.com>) is an online repository of information, driver downloads, user manuals and FAQs to help you get the most out of your printer.
